Deposit \$ _____ to account number _____ and the
remainder to account number _____.

I authorize:

- Above listed entity to initiate deposit of my funds to Central Bank checking or savings account.
- Central Bank to credit entries to my account(s).
- This authorization to remain in effect until I send written notice of change or cancellation.

Signature: _____

Date: _____

Please note:

- If you are transferring your account from another financial institution, it is recommended that you maintain accounts at both financial institutions until your direct deposit transfer is complete.
- If you would like information regarding when your direct deposit will become effective, contact the organization that generates your direct deposit.
- The organization may require you to complete additional forms in order to process your transfer.
